ABOUT THE INSTITUTION

Sri Balaji Chockalingam Engineering College was established in the year of 1999. Ever since, it has grown into a premier institution imparting knowledge and excellence through academic, research and infrastructural developments. Our college offers six U.G courses and four P.G courses in various disciplines. It involves actively in many research programs funded by various organizations and industries, supported by well dedicated faculty, staff and student community. The campus spread over 32.17 acres and is located on Arni-Chennai highway with fully furnished centre. Our college is certified by ISO.

ABOUT THE DEPARTMENT

The Department of Mechanical Engineering is one of the department established right from the beginning of the college since 1999. The department has well experienced faculty and staff members of proven ability and administrative skills. It has well equipped state-of-the art laboratories that cater to the needs of the students. The department also takes up industrial consultancy works with well equipped laboratories and has dedicated faculty and staff members. This department also offers PG course with Industrial Engineering as specialization. The Department is accredited by the National Board of Accreditation since 2009.

TOPICS

- Advances in thermal Engineering
- CAD / CAM / CIM
- Composite & Smart Materials
- Computational fluid dynamics
- Finite Element Analysis
- Manufacturing processes
- Metrology & Measurements
- NDT / Fracture Mechanism
- Renewable Energy sources
- Recent trends in automotives
- Quality Engineering
- Supply chain management
- Advanced Optimization Techniques
- Ergonomics and work study
- MATLAB Applications in Mechanical Engg.
