### About SBCEC

Sri Balaji Chockalingam Engineering College, an Institution of academic excellence, was established in the year 1999, with a cherished desire to serve the cause of humanity through technical higher education. This college has been affiliated to Anna University, Chennai and has been recognized by the Government of Tamil Nadu. It offers six B.E., / B.Tech., Courses and four P.G. Courses. All the courses have been recognized by the All India Council for Technical Education (AICTE), New Delhi.

### Department of ECE

The department offers B.E (ECE) and M.E Applied Electronics Programmes approved by AICTE and affiliated to Anna University. The department of ECE was instituted in the year 1999 with the objective of imparting knowledge in cutting-edge technologies of ECE. Ever since the inception of the department, it has been fulfilling the needs of the students by imparting the latest and need based technical background, besides will equipped computer & Electronics laboratories to give practical Exposure to the students.

### Department of EEE

Department of Electrical and Electronics Engineering was established in the year 2002 and offers BE (EEE) approved by AICTE, affiliated to Anna University. It strives an international excellence in the core field of Electrical and Electronics Engineering. The department provides excellent surroundings for the students to study and to achieve their aim. The department has experienced faculty members who are fully committed to teach, carry out research and to impart quality education to the students.

### About Conference

One day National Conference on **Recent Trends in Electrical, Electronics and Communication Engineering (RTEECE-19)** is being organized by Department of EEE & ECE, SBCEC on 12<sup>th</sup> March 2019.

The theme of the national conference is to provide a platform for researchers and designers from academic and industry to present their views sharing their experiences, intellectual ideas, challenging innovations in electronics and communication and related fields.

The state-of-the-art, original review and research papers are invited on design, development, modeling, testing and simulation work related to Recent Trends in Electrical, Electronics and Communication Engineering. The conference includes keynote addresses paper presentation sessions, poster presentation etc.,

### Topics

Research paper are invited on the following topics but not limited to:

EEE	ECE
Power Electronics for Renewable energy systems	VLSI Technology Embedded Systems
High Voltage Engg.	Wireless Communication
Bio Medical Engg.	Optical Communication
MEMS	Image Processing
Artificial Intelligence	Signal Processing

### Call for Papers

Selected Papers will be published in International Journal of Creative Research Thoughts (IJCRT), ISSN: 2320-2882. Paper to be submitted should not be previously published in any other forum. The authors have to submit manuscript in IJCRT format. The authors are liable for journal publishing cost as per IJCRT norms.
