Sir,

Sub: Memorandum of Understanding (MoU)

You have represented to us that you are an educational institution of repute having all requisite approvals and recognitions including approval from AICTE, accreditation by NBA and affiliation to Anna University. You have expressed your interest in having an association with Salcomp and Salcomp, based on your representations and expression of interest in this regard, has agreed to have an association.

As such, Salcomp shall treat you as one of the most favoured educational institutions to have an association in areas such as;

- a) Hosting technical seminars conducted by your faculty for the benefit of Salcomp's employees' and stakeholders
- b) Offering of internship programmes to your students who satisfy Salcomp requirements
- c) Training programmes, and
- d) Industrial Visits.

Other areas of association may be identified and mutually agreed in due course.

You along with Salcomp shall strive to implement the association in a way that serves the best interest of each other. By issuing this MoU and by accepting it, Salcomp and you agree that:-

- a) this MoU shall not create a legal relationship between the Parties, except for provisions on confidentiality;
- b) shall keep confidential any information, including the existence of this MoU, related to the other party which is disclosed to or obtained as a result of association and which is not publicly available or already known and not to disclose such information to third parties, otherwise than in accordance with the consent of the other party or as required by law.

Salcomp reserves its right to terminate this MoU and look forward to a mutually beneficial association.

Yours truly

For Salcomp Manufacturing India Private Limited,
